## PRAYER OF CONFESSION

TC Anderson

God of Wisdom, open our minds and our hearts to new ways of thinking. Forgive us when we hang on to the status quo. Forgive our lack of imagination and our fear of moving into new ways of being led by your Spirit. Lead us in the way of your wisdom, that we might unlock the chains of injustice and oppression that have bound us for generations. Show us how to build new and more just systems. Forgive us for clinging to old ways when you are a God of new things. Hear us, O God, forgive us and teach us new ways. In Jesus' name we pray. Amen.

## LORD'S PRAYER

Our Father who art in heaven, hallowed be thy name.

Thy kingdom come, thy will be done, on earth as it is in heaven.

Give us this day our daily bread; and forgive us our debts, as we forgive our debtors; and lead us not into temptation, but deliver us from evil. For thine is the kingdom and the power and the glory, forever. Amen.

## SHARING OUR GIFTS

“Come and Find the Quiet Center” *White, Schrader, & Murray*

*“Come and find the quiet center in the crowded life we lead. Find the room for hope to enter. Find the frame where we are freed. Clear the chaos and the clutter. Clear our eyes that we can see all the things that really matter. Be at peace and simply be. Silence is a friend who claims us, cools the heat and slows the pace. God it is who speaks and names us, knows our being touches base. Making space within our thinking, lifting shades to show the sun. Raising courage when we're shrinking, finding scope for faith begun. In the Spirit let us travel, open to each other's pain. Let our lives and fears unravel, celebrate the space we gain. There's a place for deepest dreaming. There's a time for heart to care. In the Spirit's lively scheming, there is always room to spare.”*
