God of Love, forgive us when we turn our backs on others. Forgive us when we fail to share your love with those most in need of that love. Remind us of the ways in which your love has and continues to transform us. Encourage us to bring the good news of your love into every situation in which we find ourselves. Forgive us when we forget that your love is unconditional. Teach us to speak of your love to others, even strangers. In Jesus’ name we pray, Amen.
